

## Customer Agreement

Please retain for your records.

By maintaining your account at StockCross Financial Services, Inc., you have agreed to be bound by the terms and conditions below as they apply to your account, and as they may be amended from time to time. The most current version of this agreement is always available at [www.stockcross.com](http://www.stockcross.com), or you may obtain a copy free of charge by calling 800-225-6196.

1. Application Approval and Account Ownership: An account will be opened for you in the requested registration once your application has been approved. You certify that sole ownership of the account vests in that person(s) or entity as stated in your application, and that no other party holds any interest in the account. StockCross Financial Services, Inc. ("StockCross") may reject your application and refuse to open an account as requested for any reason.

2. Legal Age and Accuracy of Information: You certify that you are of legal age in the state or country where you reside, and that the information you have supplied in your application is wholly true and accurate.

3. Changes in Affiliation or Financial Condition: Except as disclosed in your application, you certify that you are not an employee or affiliate of any securities exchange or FINRA, or of any member firm of a securities exchange or FINRA, or an officer, director, or 10% stockholder of any publicly traded company. You agree to inform StockCross immediately of any change in this regard. You also agree to advise StockCross of any material change in your financial condition or investment objectives, prior to entering any order after such change takes place.

4. Privacy Policy: StockCross restricts access to your personal and account information to those employees and agents who need to know that information to provide products or services to you. StockCross maintains physical, electronic and procedural safeguards to protect your nonpublic, personal information. StockCross does not disclose any nonpublic, personal information about our current and former customers to anyone, except as permitted by law. StockCross collects nonpublic, personal information about you from the following sources:

- Information we receive from you on applications or other forms.
- Information about your transactions with others or us.
- Information we receive from a consumer-reporting agency.

If you decide to close your account(s) or become an inactive customer, we shall continue to adhere to these same policies and procedures.

You authorize StockCross to obtain a credit report or bank reference for you at any time, and to verify the information you have provided on your application (for example, by contacting your employer). At your written request, StockCross will provide the name and address of any credit reporting agency used. You authorize StockCross to release information contained on your application to such agencies. StockCross may also be required to release information regarding your account to the government or regulatory authorities. Under the provisions of SEC Rule 14b-1, StockCross shall also release your name and address to issuers of any securities held in your account so that you may receive any important information about them; you agree to notify StockCross in writing if you object to this arrangement.

**5. I authorize you to contact me for discussion and/or review of my investment decisions and of my positions and funds held in my account.**

6. Applicable Rules and Regulations: All transactions shall be subject to the rules, regulations, customs and usages of the exchange, market, or clearing house where executed, and to all applicable SRO rules, and federal and state laws and regulations.

7. Deposits and Restrictions on Order Entry: StockCross reserves the right to demand a deposit of funds or other adequate collateral prior to accepting any order to buy or sell securities. In consideration of credit risk and other factors, StockCross may also, at its sole discretion, take any or all of the following steps: require full payment for any purchase prior to accepting an order; require cleared funds prior to accepting any order; refuse to accept any order to buy or sell any security; and place trading restrictions on your account, without prior notice to you. Accounts maintaining credit balances with no trades for an entire year may stop earning interest.

8. Payment for Order Flow: StockCross has consistently handled its customers' orders with the goal of the best execution at a low cost. In all cases, we seek to direct orders so that they are executed promptly and at the best price. We monitor and compare the quality of executions to comply with both industry regulations and with our business goal of getting the best price for our customers. StockCross may receive negligible payments for order flow. The various option exchanges may also pay for order flow. We shall continue to direct our option order flow to the market with the tightest spread and most volume, with the help of our agent dealers. StockCross may share revenue from certain executions based upon a number of factors including, but not limited to: size of the order,

the NBBO in the security at the time of execution, time of order entry, whether the order is executable at the time of entry, and whether or not an order is price improved. StockCross directs a portion of our order flow to our own market-making desk. We stand to realize 100% of profits or losses generated from this order flow while acting as principal. StockCross engages in proprietary trading, particularly in fixed income securities, and has procedures in place to prioritize and protect customer transactions.

8. Order Routing and Confirmation: You authorize StockCross to direct your orders to any appropriate market in the execution of your security transactions, including option transactions. StockCross may notify clients of trades through email, postal confirm, online access to activity, and order status pages. Reports on execution of trades in your account shall be deemed accepted if you have not notified StockCross in writing with your objections within five (5) business days after the order has been executed. StockCross has the right at its sole discretion to reject any order placed and has the right to refuse any orders sent through the mail or voicemail.

9. Payment of Indebtedness upon Demand: You are liable at all times for payment of any debit balance or other obligation owing to StockCross. StockCross may, at its own discretion, make any such debit balance or other obligation immediately due and payable.

10. Security for Indebtedness: All monies, securities, and other property which StockCross may hold, carry or maintain for any account in which you have an interest, now or in the future, are subject to a lien for the discharge of all your indebtedness and liability to StockCross. StockCross reserves the right to transfer all or any part of such monies, securities, and other property from any one of your accounts to any other of your accounts, should StockCross deem such action necessary for its protection.

11. Liquidation: StockCross reserves the right, at any time and as it deems necessary for its own protection, to sell, assign, or deliver securities or other property in your account, and to buy any securities or other property which may be short in your account, and otherwise to cancel any transaction, open order, or other commitment in your account, whether all or in part. StockCross reserves the sole right to determine all particulars of any such action, including which securities to sell or buy, the sequence of the liquidating transactions, whether to place market, limit, or stop orders, on which exchange or market to execute the transaction, and whether at public auction or private sale, with StockCross also reserving the right to purchase any of the aforesaid property for its own account at such sale, free of any right of redemption. StockCross may take such action without prior announcement, demand or call of any kind to you or your personal representatives, it nevertheless being understood that prior notice does not constitute a waiver of StockCross' right to take whatever action it deems necessary without further notice of any kind to you. Circumstances where StockCross has the right (but is not required) to take such action include: your death, incapacity or incompetency; a filing by you or for you of a petition for bankruptcy or the appointment of a receiver; an attachment levied against your account; a failure to pay for a purchase or to deliver a security; a margin deficiency or inadequate collateral for an obligation; or the closing of your account by StockCross. In the event your account is liquidated, in whole or in part, you agree to be liable for and pay any resulting deficiency upon demand.

12. Costs and Expenses: You shall reimburse StockCross for the costs of collecting any unpaid deficiency in your account, including reasonable attorneys' fees. StockCross shall also be entitled to reimbursement for all reasonable expenses for any extraordinary services incurred in connection with your account, including but not limited to attachment, interpleader, garnishment, restraining orders, injunctions, tax liens and levies.

13. Late Payment in Cash Accounts: In the absence of any specific demand otherwise, payment for purchases in a cash account is due on settlement date. If you fail to pay in timely fashion, StockCross may liquidate the purchase and other security positions, as necessary, to meet your overdue obligation. StockCross may charge interest and/or a reasonable fee for the cost of carrying any overdue debit balance after settlement date.

14. Late Delivery of Securities Sold: Any security sold 'long', if not on deposit in your account, must be delivered in good form by settlement date. If securities are not received by StockCross in a timely fashion, your sale transaction may be canceled, your account bought in, or the security borrowed on your behalf. StockCross reserves the right to charge your account the appropriate commission and/or a reasonable fee if any of these actions are undertaken. Any resultant trading loss is your sole responsibility.

15. Commissions and Fees: We reserve the right to update our commissions and fees periodically and without prior notice. You may [CLICK HERE](#) to view our fee schedule online, go to Stockcross.com > Resources > Rates & Fee Schedule, or by calling 800.225.6196. Your account will be charged commission, markup/markdown, or commission equivalent for securities transactions and fees for certain services rendered, and you agree to pay these charges as they exist at the time. Retirement plan and corporate service plan accounts are subject to plan-specific fees and charges. StockCross' overall fees can be broken down as the following:

1. Service Fees – To offset the costs of providing custodial, bookkeeping, and other maintenance services. StockCross may, at its own discretion, waive this fee.

2. Retirement Account Fees – Please consult with customer service for details as they apply to your account.

3. Annual Maintenance Fee - Your account is subject to an annual maintenance fee that *may* be waived based on activity, and household equity.

15A. Foreign Currency Wire Transfers: StockCross seeks to direct wire transfer payments so that they are submitted accurately and received promptly by its customers. StockCross has entered into an agreement with a third party provider to facilitate foreign currency transactions for StockCross customers who request the receipt of funds in a currency other than US Dollars. The third party provider charges a fee for its foreign currency conversion services which is passed through to the customer by StockCross. A portion of this fee is retained by StockCross. The nature and source of any such remuneration in connection with a specific transaction will be disclosed to you upon written request.

16. Non-Individual Accounts:

a) Joint Accounts: If this account is owned jointly, then all account owners agree that each account owner is jointly and severally liable for all obligations of the account. Any account owner shall have full authority, acting alone and without notice to other account owners, to take any and all actions in the account as though he or she were the sole owner, including the authority to enter orders, to receive confirmations, statements, demands, notices, and communications of every kind, and to make, modify and terminate agreements with StockCross on behalf of the joint account. The account owners further authorize StockCross to follow the instructions of any one account owner in every respect concerning the joint account. StockCross is under no obligation to inquire into the purpose or propriety of any such demand for the distribution of account assets, nor can StockCross be held responsible for the disposition of any assets withdrawn from a joint account. StockCross nevertheless reserves the right, at its sole discretion and for its own protection, to require the written consent of all account owners before acting upon the instruction of any one owner.

b) Fiduciary Accounts: If this is a fiduciary account, the account owners will designate responsible and/or authorized parties as required by StockCross. StockCross nevertheless reserves the right, at its sole discretion and for its own protection, to require the written consent of all account owners before acting upon the instruction of any one owner or authorized agent.

17. Presumption of Receipt of Communications: You agree to notify StockCross in a timely fashion of any change in your name, address, phone number, or email address. Communications that StockCross may send to you, whether by mail, email, telegraph, messenger, or otherwise, shall be considered as delivered to you, whether actually received or not. Reports of the execution of orders and statements of your account shall be deemed conclusive if not objected to, in writing, within five days and ten days, respectively, after transmittal to you by mail or other means.

**By agreeing to receive electronic documentation, you receive all electronic documents/communication such as electronic trade confirmations, all account statements, tax documents, proxy, prospectus, financial reports, and other documentation. Unless you advise us that you require paper confirmations and/or statements, you agree to any costs associated with delivery of those confirmations and/or statements. You understand that you are responsible for logging on and accessing these documents directly from our website, [www.stockcross.com](http://www.stockcross.com).**

18. Duplication of Orders: You understand and agree that when changing the limit price or other aspect of any outstanding order, you must advise StockCross at the same time to cancel the original order. You accept responsibility for any errors, including duplicate executions that might arise from your failure to do so.

19. Electronic Recording: StockCross may record your conversations with its employees in the Trading Department and other areas. You consent to such recording.

20. Hold on Deposited Funds: Any funds deposited by check or other monetary instrument into your account may be withdrawn only after a reasonable number of business days have passed to allow the funds to clear. The number of business days shall be set by StockCross and may vary with the type of instrument and other considerations.

21. Your Responsibility to Know Your Securities: Certain securities may require that you take action by a specified date. Examples of such securities include warrants, stock rights, convertible and/or redeemable bonds and preferred shares, and securities subject to tender or exchange offers. StockCross shall make reasonable efforts to forward to street name holders any written notices or materials that have been provided to StockCross in timely fashion by the issuers, transfer agents, or other parties, (StockCross does not receive and therefore cannot forward any such materials for securities held in safekeeping).

The final responsibility, however, for knowing the characteristics of these securities, the terms of their conversion, tender, redemption or exchange, and the expiration dates thereof, is yours. StockCross is neither obligated to notify you of impending expiration or redemption dates, nor to take any action whatsoever regarding these securities. In the event such security is about to expire worthless or be redeemed for significantly less than its fair market value, and StockCross has not received instructions from you, StockCross

reserves the right, but is not required, to take whatever action StockCross may deem appropriate and to charge your account commissions or fees, if any.

22. Control and Restricted Securities: You agree to notify StockCross prior to placing an order to sell 'control' or 'restricted' securities, as defined under Rule 144 or 145(d) of the Securities Act of 1933, and to provide any documents necessary to clear legal transfer as StockCross may request. You understand and accept that such securities may not be sold or transferred, or proceeds released, until legal transfer is complete, and that as a result of these requirements delays may occur. You agree to hold StockCross harmless for any losses you may realize, directly or indirectly, as a result of such delays.

23. Losses Due to Extraordinary Events: You agree to hold StockCross harmless for any losses due to extraordinary events, including, but not limited to, losses arising directly or indirectly from war, weather, natural disaster, government restrictions, the loss of data processing services or communications, exchange or market rulings, trading suspensions and disruptions of orderly trading.

24. Account Protection: StockCross is a Member of SIPC, which protects securities customers of its members up to \$500,000, including \$250,000 for claims for cash. Coverage does not protect against loss of market value of securities. An explanatory brochure is available upon request at <http://www.sipc.org> or 202-371-8300. StockCross Financial Services has purchased, from a major London insurer, \$20,000,000 per account in additional protection, \$50,000,000 aggregate. Coverage does not protect against loss of market value of securities. Details on account protection are also available at <http://www.stockcross.com>.

25. Market Data: StockCross provides its customers with a range of financial information, including wire service news, last sale pricing, market quotes, trading volumes, etc., which StockCross purchases from independent vendors. Although StockCross believes the information to be reliable, StockCross cannot guarantee the accuracy of the data nor their uninterrupted provision. You agree to hold StockCross harmless for any losses arising from your reliance upon these data.

26. Termination of Account: Either you or StockCross may close your account at any time by giving notice upon the other. StockCross may also elect not to terminate your account entirely but to end certain account features or trading privileges. Upon termination whether by you or by StockCross, you will be liable upon demand for any debit balance or other deficiency owing to StockCross.

- q. You acknowledge that the provisions of this agreement were negotiated to reflect an informed, voluntary allocation between us, of all known and unknown risks associated with this agreement. The warranty disclaimers and limitations in this agreement are intended to limit the circumstances of liability. The remedy limitations and the limitations of liability are separately intended to limit the forms of relief available to the parties.

28. Separability: If any court or regulatory body finds a provision of this agreement to be invalid or unenforceable, only that provision will be deemed invalid or unenforceable, with all other provisions of the agreement remaining in full force and effect.

31. Governing Law: This is a California contract and shall be construed and governed in accordance with the laws of the State of California, the courts of which shall have exclusive jurisdiction over any actions cognizable hereunder.

32. ARBITRATION: With respect to the pre-dispute arbitration agreement that follows, please note that:

(1) All parties to this agreement are giving up the right to sue each other in court, including the right to a jury trial, except as provided by the rules of the arbitration forum in which a claim is filed.

(2) Arbitration awards are generally final and binding upon the parties. A party's ability to have a court reverse or modify an arbitration award is very limited.

(3) The ability of the parties to obtain documents, witness statements and other discover is generally more limited in arbitration than in court proceedings.

(4) The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.

(5) The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.

(6) The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.

(7) The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:

(1) The class certification is denied;

(2) The class is decertified;

(3) The customer is excluded from the class by the court.

Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.

#### ARBITRATION AGREEMENT

**Except as provided herein, any dispute, claim or controversy relating to this account shall be settled by arbitration in accordance with either the rules of FINRA or the SEC.** Notwithstanding the foregoing it is further agreed that StockCross may at its sole option decline arbitration and elect to pursue its legal remedies as to any claim arising out of the failure of the undersigned to pay any indebtedness due to StockCross. Initiation of arbitration proceedings may be made by written demand for arbitration or notice of intention to arbitrate, served by either party upon the other, specifying the rules which are to apply to the arbitration.

The rules of some arbitration forums may impose time limits on bringing claims to arbitration, and, in some cases, claims that are ineligible for arbitration may be brought in court. The parties agree that the rules of the arbitration forum in which a claim is brought, and any amendments thereunto, are incorporated into the agreement.

#### MARGIN AGREEMENT

33. Risk and Suitability: When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from StockCross. If you choose to borrow funds from StockCross, you will open a margin account with StockCross. The

securities purchased are StockCross' collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, StockCross can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts, in order to maintain the required equity in the account.

It is important that you fully understand the risks involved in trading securities on margin. Although StockCross may try to accommodate you, these risks include the following:

- You can lose more funds than you deposit in the margin account.
- A decline in the value of securities that are purchased on margin may require you to provide additional funds to StockCross to avoid the forced sale of those securities or other securities or assets in your account(s).
- StockCross can force the sale of securities or other assets in your account(s). If the equity in your account falls below StockCross' maintenance margin requirements, StockCross can sell the securities or other assets in any of your accounts held at StockCross to cover the margin deficiency. You also will be responsible for any short fall in the account after such a sale.
- StockCross can sell your securities or other assets without contacting you. Some investors mistakenly believe that their broker must contact them for a margin call to be valid, and that their broker cannot liquidate securities or other assets in their accounts to meet the call unless their broker has contacted them first. This is not the case. StockCross may attempt to notify its customers of margin calls, but it is not required to do so. However, even if StockCross has contacted a customer and provided a specific date by which the customer can meet a margin call, StockCross can still take necessary steps to protect its financial interests, including immediately selling the securities without notice to the customer.
- You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call. Because the securities are collateral for the margin loan, StockCross has the right to decide which securities to sell in order to protect its interests. StockCross will attempt to liquidate on a "Last-In-First-Out-Basis."
- StockCross can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice. These changes in firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause StockCross to liquidate or sell securities in your account(s).
- You are not entitled to an extension of time on a margin call. While an extension of time to meet margin requirements may be available to customers under certain conditions, a customer does not have a right to the extension.

Your application for a margin account is subject to the approval of, and may be rejected by, StockCross. An explanation of why a rejection in margin privileges occurred will be provided to you upon written request.

34. Pledge of Securities: All money, securities and other property held, carried, or maintained for you by StockCross in your margin or short account may be pledged, repledged, hypothecated or rehypothecated, separately or together with the property of others, in an amount equal to the balance you owe to StockCross, or for a greater amount. StockCross may do so without retaining in its possession or under its control for delivery a like amount of securities or other property.

35. Security for Indebtedness: In your Customer Agreement with StockCross you grant a lien on all securities and other property held in any StockCross account in which you have an interest, now or in the future, for the discharge of all your debts and other obligations owing to StockCross. This lien also secures any debit balance in your margin or short account, and extends to securities and other property that may not be acceptable as margin collateral under StockCross rules or Federal Reserve Board regulations.

36. Margin Maintenance: You agree to maintain at all times such margins as may be required by StockCross, self-regulatory organizations (SRO), and/or federal authorities. StockCross reserves the right at any time to demand the deposit of additional collateral for any debit balance or other obligation that you maintain in your account. StockCross may set higher initial and maintenance requirements at our sole discretion, typically for accounts holding a concentrated position or a position in a thinly traded or volatile issue. Current market conditions and your financial situation may also be taken into consideration in setting requirements.

37. Margin Calls: It is StockCross' general policy to issue calls for the deposit of additional collateral whenever an account falls under requirements. If an account remains in a deficiency on the stated deadline of the call, it is StockCross' general policy to liquidate sufficient securities to meet the terms of the call. These policies notwithstanding, StockCross reserves the right to exercise its discretion, where permitted by regulation, in determining whether to issue a call and under what terms, and whether to liquidate securities at the specified deadline or at another time, with or without notice to you.

38. Liquidations in Margin Accounts: Because security prices can change quickly in volatile markets and there may be no opportunity to issue a margin call, StockCross must reserve the right in its sole discretion to close positions in your account and take whatever action it deems necessary for its own protection, without prior notice, demand, or call to you. StockCross may take such action in consideration of market conditions, such as a sudden decline in the price of a security, as well as other factors, and also in instances when a prior call for additional collateral (or similar notice) has been issued, it being understood that such prior notice does not constitute a waiver of StockCross' right to close positions and cancel orders in your account without further notice of any kind to you.

39. Short Sales: You agree that when entering an order to sell a security 'short' you will designate the order as such. You understand and accept that any proceeds from short sales may not be released to you and do not earn interest. You agree that short sales are subject to certain regulatory rules and may not be executed under certain market conditions. StockCross cannot guarantee shares will be available to facilitate a short sale and we may charge a fee to borrow the shares for delivery to the buyer. By submitting a short sale order you agree to pay all charges for borrowing the shares. You agree that we may, at our discretion and without notice, "buy in" securities to cover any short security position in your account. We may take this action either on a regular, cash or next-day settlement basis. If you are unable to cover a short security position for any reason so that we can ultimately deliver the security back to the lender (to whom we are obligated), you agree to reimburse StockCross for any losses realized as a result of your failure to deliver the security in a timely manner.

40. Truth in Lending Disclosure: In accordance with Rule 10b-16 of the SEC Act of 1934 the following disclosure is set forth:  
Interest Rates on Debit Balances:

The interest rate charged by StockCross on your debit balance is based on a base rate determined by StockCross, which is influenced by money market conditions, including the Prime Rate, Call Money, and Treasury Bills. The StockCross Base Rate is subject to change without notice, and is applied against your debit balance as determined by StockCross.

41. Interest Charges: Interest is charged to your account and is computed by adding the daily interest computations. Each daily interest computation is made by multiplying the net debit balance by the interest rate then in effect and dividing by 360. If the StockCross Base Rate changes during the month, or your debit balance fluctuates during the month, the rate displayed on your statement is the average interest rate. For periods when the Base Interest Rate is unchanged, but the debit balance fluctuates between the tiers, the rate displayed on your statement is the average interest rate.

The net debit balance on any given day is the sum of the settled debit balance in the margin account minus any free credit in the cash account. (Short account balances and segregated dividends are not included.)

The average net debit balance is the sum of all daily balances divided by the number of days on which there was a net debit balance. The average interest rate is computed by multiplying the total interest charge by 360 and dividing by the average net debit balance and by the number of days on which there was a net debit balance. If the method used to calculate debit changes, StockCross will provide you with written notice at least thirty days in advance.

42. Margin Requirements: Margin requirements are set forth in Section 58, at the end of this document.

#### OPTION AGREEMENT

43. Risk and Suitability: You acknowledge that option trading is risky. In particular, you are aware that:

- -The seller of a covered call option may forfeit significant profits if the price of the underlying security increases.
- -The purchaser of an option may lose the total amount paid to acquire the option.
- -The seller of an uncovered option may sustain substantial, sometimes sudden loss, and the risk in selling an uncovered call option is unlimited.
- -You certify that you have weighed these risks against your financial situation and investment objectives, and have determined that you are able to sustain the losses that might arise from options trading. If any material change in your financial situation or your investment objectives should occur you agree to notify StockCross before you enter your next option order.

44. Application Approval: Your application is subject to StockCross' review. You will be notified in writing of the type of option transactions, if any, for which your account has been approved.

45. Option Disclosure Document: Prior to or upon approval of your application, StockCross will send you a brochure entitled Characteristics and Risks of Standardized Options, published by the Options Clearing Corp. You agree to read this document and any supplements prior to placing any options order in your account.

46. Applicable Rules and Regulations: You agree that all option-related transactions in your account shall be governed by the rules, regulations, customs and practices of the exchange where executed, the Options Clearing Corporation (OCC), FINRA, and any other applicable regulatory agency or exchange.

47. Position and Exercise Limits: You agree, whether acting alone or in concert with others, to be bound by the position and exercise limits for option contracts as fixed from time to time by the appropriate regulatory authorities.

48. Prior Agreements: All option transactions in this account shall be subject to the terms and limitations of the Customer Agreement and Margin Agreement, as set forth above and as amended from time to time. In the event of any conflict between the other agreements and this Option Agreement, the latter shall control; and where there is no conflict each provision of each agreement shall apply.

49. Requirements: You agree to abide by StockCross' requirements for options transactions, as well as the requirements set by federal and other regulatory bodies. StockCross' requirements are set forth in Section 61 at the end of this document. You agree that StockCross may make any deficiency arising from an option transaction immediately due and payable.

50. Liquidations in Option Accounts: As stated in Sections 11 and 38 above, you acknowledged and accepted StockCross' right to close securities transactions and take whatever action in your account StockCross deems necessary for its own protection, without prior notice to you. Particular actions that StockCross may undertake in your option account include, but are not limited to: buying to close an option position that may be short in your account, or selling a long option to close; hedging an option position through buying or selling short the underlying security, or through a spreading transaction; canceling open orders in your account; and risking any or all securities underlying options purchased for your account. Circumstances where StockCross may, but is not required to, undertake such action include: the sudden increase in the price of the underlying security of a short, uncovered option in your account; a transaction for which your account has not been approved; a transaction for which the equity in your account is, in StockCross' sole judgment, insufficient; a transaction that violates StockCross' maintenance minimums; your failure to meet a margin or collateral call; notice of your death. StockCross' failure to take action in one instance does not constitute a waiver of StockCross' right to take action in other instances.

51. Restrictions on Orders: StockCross reserves the right, for any reason and without prior notice to you, to restrict your account to certain types of option transactions, to refuse any order, or to cancel your option trading privileges altogether.

52. Exchange Restrictions: From time to time option exchanges may restrict trading or exercise privileges for certain classes of options. Although such restrictions could result in financial loss to you, you agree to hold StockCross, the Chicago Board Options Exchange (CBOE) and other organized exchanges, the OCC and FINRA harmless for any acts made in accordance with their constitutions, policies, customs, rules and regulations, and interpretations thereof.

53. Exercise: You agree to abide by StockCross' deadline of 4:15 PM Eastern Time for submitting exercise notices. You further agree to meet in full any settlement obligation arising from exercise, including commissions and/or fees.

54. Exercise at Expiration: StockCross is under no obligation to advise you of an upcoming expiration date for any option you may hold in your account, nor is StockCross required to take action at expiration with respect to your option positions. In some instances, however, your options may be exercised at expiration without your specific instruction to do so, in a manner determined by the Options Clearing Corp (OCC). An equity option that is in the money by \$.01 or more at expiration, or an index option that is \$.01 or more in the money at expiration, is subject to automatic exercise by the OCC. These values are set by the OCC and may change from time to time, without notice, and you accept the responsibility to know these values and how they affect your option transactions. You also acknowledge and accept the following:

- In the event an equity option is automatically exercised in your account, StockCross reserves the right to close the resulting position once trading resumes. Any loss that might arise from such action is your sole responsibility and obligation to StockCross.
- If you are holding an option at expiration that meets or exceeds OCC minimums for automatic exercise, and you do not wish to exercise, then you must notify StockCross of your 'contrary intent' by 4:15 PM Eastern Time on the last trading day before expiration (expiration is generally the Saturday following the third Friday of the month).
- If you are holding an option at expiration that falls under OCC minimums for automatic exercise, and you nevertheless do wish to exercise, then you must notify StockCross of your 'contrary intent' by 4:15 PM Eastern Time on the last trading day before expiration.
- You agree to hold StockCross harmless for any loss or damage that may result from your failure to instruct StockCross regarding the exercise of valuable options at expiration.

55. Assignment: All American-style short option positions are liable for assignment at any time. StockCross uses an automated random selection system to allocate an assignment among accounts holding a short position in the assigned option, including accounts that opened a short position on the day of assignment.

56. Special Statement for Writers of Uncovered Option: There are special risks associated with uncovered option writing which expose the investor to potentially significant loss. This type of strategy may therefore not be suitable for all customers approved for options transactions.

a. The potential loss of uncovered call writing is unlimited. The writer of an uncovered call is in an extremely risky position, and may incur large losses if the value of the underlying instrument increases the above exercise price.

b. As with writing uncovered calls, the risk of writing uncovered put options is substantial. The writer of an uncovered put option bears a risk of loss if the value of the underlying instrument declines below the exercise price. Such loss could be substantial if there is a significant decline in the value of the underlying instrument.

- c. Uncovered option writing is thus suitable only for the knowledgeable investor who understands the risks, has the financial capacity and willingness to incur potentially substantial losses, and has sufficient liquid assets to meet applicable margin requirements. In this regard, if the value of the underlying instrument moves against an uncovered writer's option position, StockCross may request significant additional margin payments. If an investor does not make such margin payments, StockCross may liquidate stock or option positions in the investor's account, with little or no prior notice, in accordance with the investor's margin agreement with StockCross.
- d. For combination writing, where the investor writes both a put and a call on the same underlying instrument, the potential risk is unlimited.
- e. If a secondary market in options were to become unavailable, investors could not engage in closing transactions, and an option writer would remain obligated until expiration or assignment.
- f. The writer of an American-style option is subject to being assigned an exercise at any time after the account has written the option until the option expires. By contrast; the writer of a European-style option is subject to exercise assignment only during the exercise period.
